MEMORANDUM AND ORDER

This matter came before the undersigned on August 16, 2007, for a scheduled detention hearing. Assistant United States Attorney Hugh Ward was present representing the government. Attorneys Allan Schwartz and John Valliant, Jr. were present representing Defendant Waters, who was also present.

In the Court's oral ruling, a complete review and analysis of the parties' positions, issues, and facts were stated. That specific and detailed oral ruling is attached hereto and made a part of this Order as if stated herein verbatim.

For the reasons stated therein, I find, pursuant to 18 U.S.C. § 3142, that (1) Defendant has overcome the statutory presumption that Defendant is a flight risk and a risk not to appear as required if released, and (2) Defendant did not overcome the statutory presumption that there are no conditions of release that would reasonably assure the Court of the safety of the community and the government has met the burden of establishing by clear and convincing evidence that Defendant Waters' release would pose a danger to the community. Furthermore, the Court finds that there are no conditions or combination of conditions of release that would reasonably assure the Court of the

safety of the community.

It is therefore **ORDERED** that Defendant, Terrance L Waters, be detained. Defendant will be committed to the custody of the Attorney General or his designated representative for confinement in a correction facility separate to the extent practicable from persons awaiting sentencing or serving sentences or being held in custody pending appeal. Defendant shall be afforded a reasonable opportunity for private consultation with defense counsel. Upon order of this Court or a Court of the United States or upon request of the attorney for the government, the person in charge of the corrections facility shall deliver Defendant to the United States Marshals for the purpose of an appearance in connection with a Court proceeding.

IT IS SO ORDERED.
